Queensland Country Life Showgirl Competition Rule Changes

After much consideration of all stakeholders, the Board of Queensland Ag Shows is pleased to announce that they have finalised their review of the rules of the Queensland Country Life Miss Showgirl Awards hosted by Queensland Ag Shows.

For the 2021 State Finals, the below Conditions of Entry currently reading:

1. Entrants must be unmarried, aged from 18 to 28 years inclusive as of the 1st August in the year of competition. The Awards are open to women born in Australia or Australia Citizens
2. The ultimate winner must remain unmarried until the conclusion of the Royal Queensland Show. Entrants must not have been married or have had or having a child prior to State Final Judging.

will be replaced with the following Condition of Entry:

1. An entrant can be any woman who is an Australian citizen and who resides in Queensland, or who is closely affiliated with a Queensland Agricultural Show, aged between 18 and 28 years inclusive as at 1 August in the year of the competition.

This updated Condition of Entry allows married women and women with children to enter the Showgirl Awards. We firmly believe that this change will increase the opportunity for shows to further engage with all members of their community through the Showgirl competition, particularly the engagement of young women who are married or have children who connect with the mission, vision and opportunities that the Showgirl Awards offers entrants.

We encourage shows to consider the revised rules prior to hosting a Showgirl competition of which the winner will represent their agricultural show at the 2021 Sub Chamber Finals next year. There will be no other changes to the existing Conditions of Entry for the 2021 State Finals.

We are very excited for the future of the Showgirl Awards and are happy to answer any questions.
